

## After Christmas “Blues”

### Got the “Bah Humbug” Feeling

I do. After all of the holiday decorations are put away, I feel like something’s just not right. Do I miss the silver & gold decorations, the wrapping paper, bows, ribbons and the thousands of twinkling lights on the fresh, or artificial trees? Chances are what I am missing is color. Bright touches of color. In nature, colors send us messages—like how the colors of the crocus, daffodils and tulips lets us know it’s spring. Colors can help set your mood. Green is the color most found in nature. It’s refreshing, reassuring and symbolizes growth. Green is the most restful for the human eye and

### “Seeds of Kindness Sponsor”

Be a “Seeds of Kindness Sponsor”-\$1-\$21, sponsor a haircut. It only takes a minute.... Please tell ten friends to tell ten today! Larry’s is asking 1,050 people to donate \$2.50 each. You can stop by the salon, or mail in your donation, to sponsor hair care to the homeless, needy, less fortunate and underprivileged today.

can make us feel safe. Green is the Color of “New Leaf”. “New Leaf” is a program whereby the salon will open its doors to the needy on the second Monday of every month in 2009. The purpose is to give them a chance to “turn over a new leaf”, or just to have much-needed care and grooming. We are requesting from our friends, neighbors, local churches, businesses, government agencies, non-profit, and not for profit agencies support in the way of word of mouth to those in your own congregation, office, or clientele that need assistance. Reaching homeless, the needy, the poor, the “I need FREE haircut or I’ll lose my job”, the “I need a FREE cut for this interview so I can get a job”, & the children of those down trodden that need to see someone cares ... that is the purpose of New Leaf. Each individual can also sponsor a hair cut for the needy.

Seeds of Kindness Sponsor	1
In-Kind Sponsorship	2
Concert Choir Support	3

#### Hair Tips:

- A healthy lifestyle can not only improve your body, it can give you a great head of hair.
- Use a flat iron on your hair only when it is dry.
- Use a wide-tooth comb and comb through gently when your hair is wet.
- Shampoo is for your scalp, and conditioner is for the shaft and ends.
- If you have Alopecia Areata, The hair can grow back -- it's not permanent damage.

## “In-Kind Sponsorship”

**In Kind Sponsorship-”Glad Bags”**- we would like to include in each bag: toothpaste, toothbrushes, floss, mouthwash, washcloths, combs, brushes, sewing kits, cotton swabs, disposable razors, body lotion, men and women hygiene items, baby powder, lip balm, sun visors, hats, sun/wind screen, baby wipes, waterless hand sanitizer,

deodorant, band aids, soap, cushioned socks, and information on bus schedules, emergence resources and local shelters. In your travels, keep us in mind. Set aside those travel size hotel items. Bring any items by the salon at your convenience. On January 12, we held our second New leaf Event. We combined a mini photo shoot, portfolio op-

portunity and a mini make up application class. To date, we have serviced 71 needy clients with FREE hair cuts. Join us in this new and important, vibrant exposition event to celebrate and build success for every needy client, business and consumer involved.

# PAUL MITCHELL®

We are proud to announce that Paul Mitchell is Title Sponsoring our New Leaf project
